

AEI International Student Design Competition Poster Session

Poster Session Addendum

Who can enter

- Teams registered for the Architectural Engineering Institute International Student Design Competition are eligible to submit a poster

How to enter

- Completed entry form must be received by March 16, 2021
- Printed and mounted posters can be submitted in person at the AEI Conference by 5:00pm on April 7, 2021. If you are unable to attend the AEI Conference, arrangements for poster submission must be made with AEI Staff.

Entry requirements

- Each submission must include a completed entry form and a display board
- Poster must be mounted on 1/4" foam core
- Poster should address all of the categories submitted on the Team Registration
- Poster presenters are not required to be present with their poster
- Poster should identify University affiliation and student names, who worked on the project

Poster format

- Poster sizes will be accepted up to 32"x48"
- Portrait orientation
- It is strongly recommended that text be limited to about one-fourth of the poster space and visuals (graphs, drawings, renderings, etc.) be used for the majority of the poster
